We take great pleasure in inviting you to Croatia to join us for the 18th ADRIA CAMPING RALLY hosted by the Mali Lošinj Čikat Campsite on the island of Lošinj to be held from 24 June until 1 July, 2017. A great turnout for the 18th ACR and amazing feedback from our guests inspired us to organize another event in Čikat, so that guests could enjoy everything our campsite has to offer: crystal clear sea, swimming pools and great entertainment.

For our first-timers, below is a brief description of Čikat, Mali Lošinj and the island's cultural and natural riches. Mali Lošinj is a town on the island of Lošinj, widely known as The Island of Vitality. It got its name from the centuries-old pines, lavender, myrtle, bougainvillea and as many as 1018 plant species thriving in this veritable nature's garden.

Mali Lošinj, today a popular seaside destination, is an easy 20-minute walk from the Čikat Campsite and it is renowned by its naval and shipbuilding tradition. Its popularity boomed in 1892 when it was proclaimed a climatic health resort. It has been scientifically proven that after 21 days on the island respiratory function in patients improved.

Čikat Campsite is located in Čikat Bay in the shade of centuries-old pines and offers complete relaxation next to the crystal clear waters of the Adriatic Sea. The campsite is an ideal place for an activity family holiday and features numerous sporting amenities, miles of walking trails and, as of recently, Aquapark Čikat (5 swimming pools, waterslides, numerous water attractions, healthy snack bar, poolside bar, etc.). In addition, guests can always enjoy swimming and sunbathing on a 2 km long stretch of shingle and rocky beach.
