...the finest camping in Croatia

Welcome to our mobile home!

We politely request that you take note of the following when using the mobile home:

During your stay

In a mobile home **smoking is not allowed**. If you run out of gas in your mobile home, please contact the attendant who will be happy to **exchange the gas bottle** for you. Please close all windows and doors during room cooling and do not adjust the temperature to below 22 ° C or at the lowest level, otherwise the system will ice up. In our mobile homes **ECO air conditioners** are installed. This new ECO air conditioning system only works with closed windows and doors, it is only activated with the mobile key. For hygiene reasons we ask you not to let your **pet** sleep in the beds or wash in the mobile home showers. Please do not use the dishware as a food bowl to feed your pet. Do not adjust **the satellite TV system**. If you have any questions, please contact our supervisor.

Before departure

We ask you to leave the mobile home **clean and tidy**. **The dishes please clean and dry** to admit into the boxes. If available: Please empty the dishwasher and leave it open. **Please bring out the garbage**. Please inform the supervisor of the date of your departure.

Check - out is at 10:00h.

We wish you a pleasant holiday!
